High Gloss Remarkable Response Floor Finish

with Superior Black Heel Mark Resistance

Photon Max™ with Scuff Resistant Technology™ (SRT) is a highly repairable, low odor, black heel mark resistant floor finish. Designed for ultra high speed routine maintenance programs in high profile, high traffic areas, Photon Max with SRT provides a dramatic gloss response when burnished. This self-sealing, extended wear formula retains its film integrity, black heel mark resistance, and outstanding gloss even after repeated detergent cleaning. Superior soil resistance and film clarity helps extend top scrub and recoat intervals as well as stripping cycles. It is easy to apply, with low odor and excellent leveling properties.
