

Crewman™ ORB

20 & 28-inch Orbital Floor Machine

Durable cast iron base and weights provide maximum head pressure

Fully adjustable locking handle is comfortable for any user

Optional dust containment kit available for all models

Unmatched Performance.

Up to 30% higher down pressure.

Drives the 3400 RPM into the floor for highest category performance.

Unique Construction.

Only cast iron base and weights with extended life bearings.

Assembled in USA.

Ensures high quality assurance and available quick-ship service parts.

The New Breed of Finish Maintenance.

The Crewman™ ORB Orbital Floor Machines cut labor and material costs significantly. When compared to traditional floor machines, the higher down pressures and RPMs enable chemical-free finish removal and other applications in much less time.

Applications:

- Chemical free, dry finish removal
- Sanding
- Scrubbing
- Many other applications
