## Get Advanced Hand Hygiene Solutions from Betco® in the Format That Best Serves Your Facility's Needs

Hand hygiene is an essential part of achieving a healthy facility, but it's not the only part. Compared to our skin care competition, our expertise in hand hygiene, surface cleaning, touch point disinfection, and best-in-class floor care makes us a complete partner for clean and healthy environments.

As a professional leader in hand hygiene solutions, Betco® understands that each market and end use customer has different needs to achieve a clean environment. That is why Betco offers a wide selection of world-class foaming and lotion/gel cleanser and sanitizer formulas in top-of-the-line dispensing systems or small countertop and high-volume bulk formats. Complete with training resources, Betco provides everything you need to ensure successful implementation of a complete hand hygiene program.

# Clario® Dispensers Are the Most Versatile, Cost-Effective Hand Hygiene Solution

Betco's Clario® program has been our leading hand hygiene solution for over a decade. It is an everyday, cost-effective solution that allows customers to stretch their hand care budget without sacrificing a safe and clean space.

Manual and Touch Free Dispensers are offered in both black and white and utilize the same 1000 mL foam bag. This gives the benefit of fewer soap SKUs to purchase for facilities that have both Clario Touch Free and Manual Dispensers, providing flexibility and reduced stocking levels for real savings!

## Clario Dispenser Features and Benefits

- Industry leading 98% “no-waste” evacuation provides more usable product per bag
- Exclusive bag design minimizes waste over traditional rigid plastic packaging, resulting in additional savings and a lower carbon footprint
- Sanitary, factory-sealed bag eliminates potential for product contamination
- Pump is built in to the dispenser and not allocated in the cost of each refill
- Durable ABS construction for longer dispensing life
- Keyed to protect against tampering or theft
- Precise portion control for cost-effective dispensing
- 2-year warranty for customer peace of mind

## Interchangeable Pumps for Manual Dispensing Systems!

Changing between liquid and foam is a SNAP with interchangeable pumps. The modular pumps can easily be switched between liquid and foam without taking the dispenser off the wall.

## Clario® Sanitizers

The Betco® line of instant hand sanitizers is formulated to kill 99.999% of germs that can cause disease in as little as 15 seconds. Instant hand sanitizers should be used when soap and water are not available. Formulated with aloe, Betco foam and gel sanitizers condition and moisturize. Foaming hand sanitizers are available in both alcohol and non-alcohol formulations. Alcohol Free Foaming Hand Sanitizer is ideal for alcohol-restricted facilities, is non-flammable, and won't damage floors.
