LAUNDRY PRO SYSTEM

The complete stain treatment system that no laundry should be without!

The diverse types of stains encountered in the laundry process are a major challenge to your operation. Effective stain removal is the sign of a quality laundry, and will bring you the best possible results, at the lowest possible cost. That's why Betco developed the LAUNDRY PRO wall mounted stain treatment system. It is the one system that will meet all your stain removal needs.

Four products in ready-to-use color and letter coded quart bottles, along with a matching stain removal procedures wallchart.
