

Long Lasting, Enzyme Powered, and Anti-Splash

NEW! Max Scent Urinal Screens

Take restroom maintenance to the next level with the new Max Scent Urinal Screens. Designed to ensure optimal hygiene, odor control, and splash prevention, these screens are built for high-traffic restrooms that demand long-lasting performance.

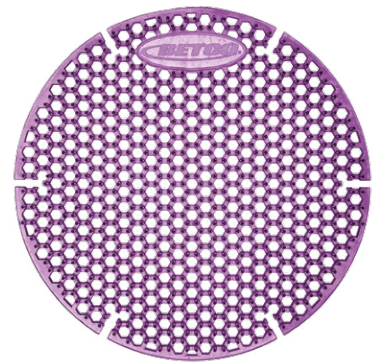

- Patented technology delivers 3X more fragrance than conventional urinal screens.
- Two-sided design eliminates 97% of splash back either side you install it.
- Contains billions of probiotic bacteria to digest waste and completely eliminate odors, keeping drains clean and smelling fresh.
- Use as a part of a comprehensive restroom program that includes Betco® disinfectants, restroom cleaners, and probiotic odor control.
